Benjamin: Barrett, they disconnected the undersea cable
Benjamin: arg...
me: are you sure?
Benjamin: egypt looks dead
me: I knew internet was down
Benjamin: guys are checking it
me: and heard that undersea cable is likely cause
Benjamin: if it is true we need something massive
Benjamin: discussion about embassies is ongoing in opegypt
me: yes
me: we do
me: I agree
me: and I'm on board with anything
me: this is unprecedented
me: and requires unprecedented response
Benjamin: but press release has to be done
